

NGT LANKA COMPANY PROFILE

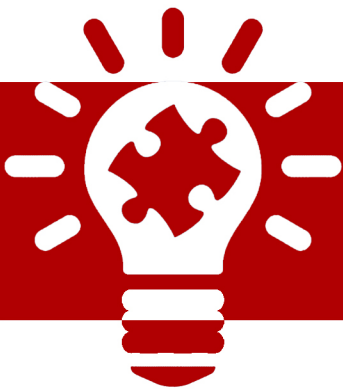

-  NGT Lanka
-  www.ngtlanka.com
-  info@ngtlanka.com

OUR MISSION

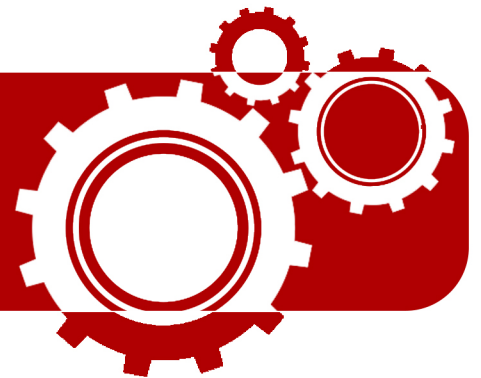

Our mission is to deliver best-in-class service and support, enriching customer experience and thus becoming the most successful Information Technology services provider in the world in terms of market share, quality, revenue, growth and margins.

OUR VISION

Our vision is to be Sri Lankan largest provider of our service with a global footprint and a reputation for always exceeding customer expectations.

OUR OBJECTIVE

Our main objective is to promote the technological development in our town. We created this to pray that our town would be a model for other towns.

All of the biggest technological inventions created by man the airplane, the automobile, the computer - says little about his intelligence, but speaks volumes about his laziness.
